

Refurbishment

St. Joseph's Primary School

Burnham on Sea

About:

St Joseph's is a Primary School and nursery, based in Burnham on Sea.

Needs:

The school's 'reception age' toilet and changing areas required full refurbishment.

The TRS Service:

TRS carried out full refurbishment to the toilet and changing areas, which included:

- Asbestos removal and ceiling reinstatement,
- General strip out of toilet and changing room area,
- Installation of new toilet cubicles and vanity units,
- Installation of new toilets, sanitaryware and cloakroom facilities,
- Installation of new sheet vinyl and coved skirting floor,
- Alterations and renewal of plumbing, mechanical and electrical installations,
- Sundry joinery works and a new aluminium entrance door,
- Ceramic tiling and painted wall finishes.

Why TRS?

The TRS team delivered a high quality and on time service, which ensured a pleasant and safe environment for the staff and children at the school.
